Introductions: made by all participants	
Priority Activities to be added to work plans:	An activity was conducted by Heidi to identify priority areas that the group would like to focus on. Results are as follow:
	#1 Kindergarten readiness: Focusing on kindergarten teachers doing home visits with families prior to school starting and completion of ASQ's.
	#2 Parent engagement and support. Offering parenting classes and promoting parent readiness for kindergarten through parent café's and meetings.
	#3 Professional development offering training to early learning providers, preschool and kindergarten teachers together.
The advisory board voted to add these focus areas to the work plan
